

Parts Information Bulletin

Accessory Kit 2011 CR-Z MUGEN

The accessory kits listed below apply to the 2011 CR-Z Base, EX, and EX Navi trims. Note that there are separate kit numbers for automatic transmission and manual transmission.

Each kit includes the following accessories:

- **Front Under Spoiler** – One-piece vacuum-molded polypropylene for high durability and perfect fit. Color-matched to original factory specifications.
- **Side Spoilers** – Includes right and left side spoilers. Installs using factory presets and mounting locations. Color-matched to original factory specs.
- **Rear Under Spoiler** – One-piece vacuum-molded polypropylene for high durability and perfect fit. Color-matched to original factory specs.
- **Front Grille** – Painted glossy black.
- **Wing Spoiler** – Multi-piece vacuum-molded ABS. Attaches to the vehicle using factory presets and mounting locations. Color-matched to original factory specs.
- **Emblem (Qty. 2)** – MUGEN emblems.
- **XJ 17-inch Aluminum Wheel (Qty. 4)** – Black Metal Coat finish.
- **Sports Mat** – Durable nylon fabric with MUGEN logo.
- **Shift Knob (M/T Kits Only)** – Black anodized coating and MUGEN logo.
- **Oil Filler Cap** – Machined billet aluminum with vehicle factory-oil specifications.

Tires are not included in 2011 CR-Z MUGEN accessory kits. Recommended tire information is listed on page 2. **Special information about the XJ alloy wheel is on pages 4-5. Please make sure the customer reads the information and signs the form. A copy of the signed form must be kept on record by your dealership.**

ORDERING NOTE:

- Please use the attached order form on page 6 to order 2011 CR-Z MUGEN kits.
- **All orders must be submitted by Auto Accessory Marketing.**
Orders will be confirmed upon receipt.

Dealer Must Disclose to Buyers Vehicles Which May Not Be Operated with
Tire Chains*

Customer Information Regarding CR-Z MUGEN “XJ” Alloy Wheels

The recommended tire for the CR-Z MUGEN “XJ” alloy wheel is a **HIGH PERFORMANCE SUMMER TIRE**. These tires have a high-traction compound and tread pattern to provide superior acceleration, cornering, and stopping under most driving conditions. However, these tires are not suitable for driving on snow or ice, or in temperatures below freezing, so all-season or winter tires must be installed on this vehicle for winter driving conditions. If you have questions regarding winter driving, please refer to your Owner’s Manual.

- The recommended tire size for the CR-Z MUGEN “XJ” alloy wheel is **205/45R17**.
- The factory CR-Z tire (195/55R16) is **NOT RECOMMENDED** for use with the CR-Z MUGEN “XJ” alloy wheel.
- There is **NO SNOW CHAIN FITMENT** for this wheel/tire application on the CR-Z MUGEN vehicle.
- If your route will include driving on snow or ice, we recommend you install suitable wheels and tires and, if required by conditions or law, additional traction devices such as snow chains in accordance with the recommendations of the vehicle owner’s manual.

Package Includes:

Front Under Spoiler	XJ 17" Aluminum Wheels
Side Spoiler	Sport Mats
Rear Under Spoiler	Shift Knob (Manual Transmission Only)
